PRIME MINISTER

Saatchi and Saatchi want to get some good "human" photographs of you, and wondered whether you would be prepared for Srjda Dukanovitch to join your entourage on Monday next in Romford. If you agreed to his being there would you also agree to giving him a minute or two extra with the couple who are buying the house for purely "political" photographs in addition to any photographs that get taken by other members of the media.

ES. Agreed
no.
all arranged
