HOUSE OF COMMONS
LONDON SW1A 0AA

31 July 1980

Dear Prime Minister,

ms

That was a marvellous occasion yesterday evening at No 10 — a fitting climax to what has undoubtedly been a highly successful first Session despite all the difficulties. The setting and hospitality were splendid, and it could not have been a more relaxed and delightful celebration. Thank you so much for your kindness. We all appreciated it enormously.

May I very humbly also congratulate and thank you for your two

superb speeches this week in the House and
at the 1922; both were so much to the
point in every way and have sent the
Party away in tremendous heart.

I do hope that you will get a
proper break. We shall come back even
more determined for the further fray.

Meanwhile my warmest thanks again.

Yours ever,
J. L.
