

PRIME MINISTER'S FUTURE ENGAGEMENTS

Bryan Cartledge says that we can now let people know of the following meetings to take place between the Prime Minister and foreign leaders:-

1. She has invited Mr. Begin to a small working lunch at No. 10 on 20 May. Mr. Begin will be in Britain on a private visit.
2. The Prime Minister has accepted an invitation to dinner with the American Ambassador on 21 May where she will, of course, meet Mr. Vance. (There is no plan at the moment for a separate meeting between the Prime Minister and Mr. Vance at No. 10).
3. The meeting with Roy Jenkins on Monday, 21 May is now confirmed.
