Tyson; Lord Mallard, on Thursday bomb scare at A.S. : —

"Last Thursday night with great aplomb
 "Nine fellows sought a ticking bomb,
 But ~~for~~ found ~~not~~ no trace of high explosives
 Except a week-end speech of Josephs

Oh, by the blood &c."

Dummett extraordinary outburst on Joseph's speech at dessert
 aroused resentment on part of one fellow (name not known)
 Dummett is a persecutor by instinct & habit of mind.
