Ownership to the People

Thank you very much for your thoughtful and constructive letter dated 11th June.

The wider ownership of wealth is a political and moral objective close to my heart.

I have sent a copy of your letter to Peter Thorneycroft and to Alan Howarth, and we will certainly have your paper very much in mind, when we come to draft the next Election Manifesto.

I would, of course, be pleased to see you and Kenneth Carlisle. Caroline Stephens will be in touch with you about a date shortly.

Thank you for the trouble which you have taken in preparing your paper.

With best wishes.

Ownership to the People

I am enclosing a photocopy of a letter and enclosure dated 11th June, which has been sent to the Prime Minister by Nigel Vinson.

This is a cause dear to the Prime Minister's heart, and she has agreed to see Nigel Vinson and Kenneth Carlisle (Lincoln) in order to discuss this.

I think that it would be helpful to have Alan Howarth present at that meeting, when it is arranged.

I have also sent to Geoffrey Howe copies of the enclosures to this letter.
