

10 DOWNING STREET

THE PRIME MINISTER

Dear Commander Brascombe,

It was to thank you
for giving me such a fascinating
tour of HMS Resolution. May I
congratulate on the supreme way you
carry out your command.

We are all aware of the
great responsibility you carry and
that its true purpose - to deter - can

only really be discharged by
remaining connected.

I hope you and your
family are enjoying a well-earned
holiday.

Yours sincerely
Margaret Dehler
