

3

19 January, 1982.

Dear Margaret,

Very many thanks for your message. I  
so much appreciated it.

We are immensely relieved by the outcome.  
The sympathy I received from you and from  
the many other kind people who sent messages  
to me was an enormous help during these last  
few days.

Yours ever,

(MT)

Mrs. Margaret Wickstead
