

10 DOWNING STREET

THE PRIME MINISTER

26 Feb. 1982

Dear Mrs. Lanigan,

Thank you for letter of
18 February, and for the very kind
cheque. I really do feel that there
should not be any charge to official
funds for the costs of the search for
Mark, so I hope you will not mind if
I pass the cheque on to a charity.

Thank you too for the kind words
in your letter. It really was a great
encouragement, and I am grateful to you
for taking the trouble to write.

I have always taken an
interest in the N.S.P.C.C. and
Mrs. Sandra Lanigan. should like to send
the cheque to them.

RM

It is perhaps one of the greatest
blots on our society that we should
still have need of such an organization.

This letter is brief - but I just
want to say how much your letter
means to me. Thank you

Yours sincerely
