THE PRIME MINISTER

8 April 1982

Dear Mr. Boden,

Thank you for your letter of 6 April.

It was a kind thought and a great encouragement.

It has been the most difficult week of my political life and it won't get easier for some little time.

The service for RAB was very moving and I thought the address was both profound and perceptive.

Yours sincerely

Thomas Boden, Esq., O.B.E., J.P.
