THE PRIME MINISTER

London 17 Jan 82

Dear John,

Thank you so much  
for your kind letter. You would  
know and appreciate exactly how  
we felt. We were indeed  
fortunate that Peter and his  
companions were found.

The last few days have given  
us a new insight into personal  
tragedies. They are ever deeper

DSG

than one thought. It means  
we must look after those jobs  
when the ending is sad - for  
then sorrow will know no end.

Your own

Raymond
