

House of Commons,

London, S.W.1

Dear Mr. Finn,

I enclose a list of Mrs Thatcher's engagements for February and March. You will see she is already pretty heavily booked up, and I feel it will save a lot of time and correspondence if you have this to consult before approaching her with a request to address a meeting.

You will appreciate that Mrs Thatcher does not like taking on engagements when the House is sitting, as being a new Member she does not want to be absent too often, and the balance of Members being as it is in this Government, it is usually difficult to obtain a "pair".

Yours sincerely,

Patricia Victor Smith
