Dear Captain Dalrymple,

Thank you for your letter of 25 July.

It was very kind of you to send me the original artillery fire plan proforma for the attack against and subsequent defence of the "Two Sisters" feature in the Falkland Islands. I was amused by your choice of nickname for the fire plan and very pleased to have this added piece of memorabilia - indeed I am thrilled with it.

With all best wishes.

Yours sincerely
Margaret Thatcher

Dear Mrs Thatcher,

You no doubt have, and will continue to accumulate, much memorabilia in your illustrious career. I am pleased to offer you a small addition.

I enclose the original artillery fire plan proforma for the attack against and subsequent defence of the "Two Sisters" feature in the Falkland Islands.

As a Forward Observation Officer (with 'Y' Company of 45 Commando Royal Marines) it was my fortune to choose the nicknames for the fire plan, which can be seen in the top left hand corner of the proforma.

The choice of nicknames has given me lasting satisfaction; I trust it gives you a moment of light relief.

Yours sincerely,

D. J. Dalrymple
