PRIME MINISTER

CTU CONFERENCE, NOTTINGHAM, 17 NOVEMBER

You will remember that you originally said that you did not wish to attend this Conference in 1979, but at the diary meeting on Thursday you were insistent about going. John Bowis at Central Office wanted you to know that there will only be 500 people attending this year instead of the usual 1000.

Do you wish to change your mind about this engagement, or do you still feel you have to go?

Thank you
