From the Private Secretary

27 May 1983

Dear Professor Hayek,

The Prime Minister has asked me to thank you for your letter of 15 May, with which you enclosed a copy of your interview in Siete Dias, together with correspondence you had received from Argentina. Mrs. Thatcher was interested to see the interview and I have, as you requested, passed copies of your correspondence to the Foreign Office for their information.

*Yours sincerely
Tim Flesher*
