THE PRIME MINISTER

16th October, 1989

*Dear Ronnie*

I just wanted to say thank you once again for your invaluable help and advice on my speech to the Party Conference this year. As you know, I cannot envisage making a speech without your assistance and so I am particularly grateful to you for giving up so much time to help us.

*It came out - all right - on the night!*

Denis joins me in sending you our warmest good wishes.
