THE PRIME MINISTER

13 April, 1982.

Dear Mr Vestey

Thank you for your letter of 6 April.

I was interested to have your account of reactions in Argentina to the various moves we have made. I am quite sure that our firm policy is right and that it is essential for this act of naked aggression to be reversed. Thank you for your support.

I am very grateful to you for writing at length and for giving me your own impressions.

Edmund Vestey, Esq., D.L. All good wishes.

Yours sincerely

Margaret Thatcher
