

10 DOWNING STREET

THE PRIME MINISTER

Saturday 12th Sept. '81

Dear Miss Brown

Thank you so much
for your charming letter about the
Dorothy Young programme. It was
rather long and I feared that people
would want to hear more music and
less interview.

Alas the T.V. interviewers never
seem to want a relaxed & simple *etc*

interview. They always ask about things
like the PSBR and M3 - whereas
all my economics come from the
fundamental principles I learned as a
child. If we practiced those - the
economics would come right!

Every good with.

Yours sincerely
Margaret Thatcher
