Dear Mr. Nemon,

Thank you for the beautiful sculpture of Winston and Clementine. It came as a lovely surprise and I shall treasure it always.

I was very interested to hear that your sculpture will be sited both in Kansas City and on the south side of St. Pauls Cathedral.

I hear from Caroline that you would like me to unveil it when the time comes. This I would like to do, not only as it would be a relaxation but also to give you my support. What worries me is that some members of the family may think I am not the right person to do the unveiling. For example, I should not like to hurt Mary Soames. However, you may have it in mind that she would unveil the one in Kansas City. Do let me know.

With all best wishes for Christmas and the New Year.

Yours sincerely,

Margaret Thatcher
