THE PRIME MINISTER

24 October, 1979.

Dear Emmanuel,

Thank you for your further letters of 8 and 19 October about fluoridation.

As you know, Gerard Vaughan is taking a close look at Dr. Burk's evidence. I understand that you have also been passing the material sent to me direct to Dr. Vaughan. He is making great efforts to assess it dispassionately.

Yours ever,

(SGD) MT

Sir Emmanuel Kaye, CBE.
