

PRIME MINISTER

I am attaching a letter from the Reverend Basil Watson (Flag A) at whose church you gave your St. Lawrence Jewry lecture.

He is inviting you to take part in a new series of talks entitled "Our Daily Bread" and I wonder what you feel about this. Being a philosophical speech it would demand a great deal of work.

The attached letter from Peter Utley (Flag B) is quite helpful, but my feeling is that the result would not be worth the many hours of labour you would have to spend on the speech.

Do you agree that this should be refused?
