

10 DOWNING STREET

THE PRIME MINISTER

19 February 1981

Dear President-Ford.

Thank you so much for your letter of 2 February and for the kind invitation contained in it. I should have loved to have come to the dedication of the Gerald Ford Museum in September, but I fear that my programme for the week in question already makes it impossible. I much regret this.

Yours sincerely,  
Margaret Thatcher

The Honourable Gerald Ford.
