CONFIDENTIAL

29th September 1975

Dear Margaret

I received the enclosed from Herbert Agar. He is my wife's step-grandfather and we stay with them often in Sussex.

I read somewhere that you liked his book 'A Time for Greatness' and wrote and told him so - which greatly cheered him up since he is rather old and I am afraid not very well.

The attached is the manuscript of a pamphlet which he wrote long ago and of which all published copies have been lost. I thought you might find it interesting - and

sort quantity material for speeches.

Yours

David
