THE PRIME MINISTER

Dear Dr. Nagel,

Thank you very much indeed for all the admirable arrangements which you made for my visit to Berlin last week. I greatly enjoyed meeting you and I thank you most warmly for the magnificent dinner which you gave me at the Schloss Charlottenburg. May I also thank you for the beautiful gift of china.

A visit to Berlin is a memorable experience for anybody. It has left many indelible impressions on my mind. No other place demonstrates so clearly how priceless is the asset of freedom.

I very much hope that you will pay another visit to London as soon as you conveniently can. I should greatly welcome the opportunity to talk to you again and to return your generous hospitality.

Yours sincerely
Margaret Thatcher
