Personal

Dear Mr. Hughes,

A note to say how much I rejoiced with you in your victory last Saturday against Manchester United. I watched it on 'Match of the Day' but without knowing the result. At first it was a long strip the near-misses - almost as bad for me watching as for you playing! But at least

I only had the version for help
now before getting the result
was long for.

No reply - you will be
too busy preparing for the
next round in the European cup.

Very good luck.

K. Hykes Hill,
Liverpool Football Club
Anfield Rd.

Yours sincerely
Raymond Barber
