Dear Leonard,

Thank you so much for your letter of 5 February about the Employment Bill. I was very grateful to have your detailed comments, and we will certainly take these into account before reaching final decisions on how the Bill might be amended.

I much enjoyed the meeting the other evening.

Warm regards,  
Yours sincerely,  
Margaret

You will no doubt want to  
reply to Leonard Neal's  
latest letter? I attach  
a draft.

Shall I send a copy of the  
letter to the Department of  
Employment?
