State Dept. review completed

SUBJECT: Evening Report (U)

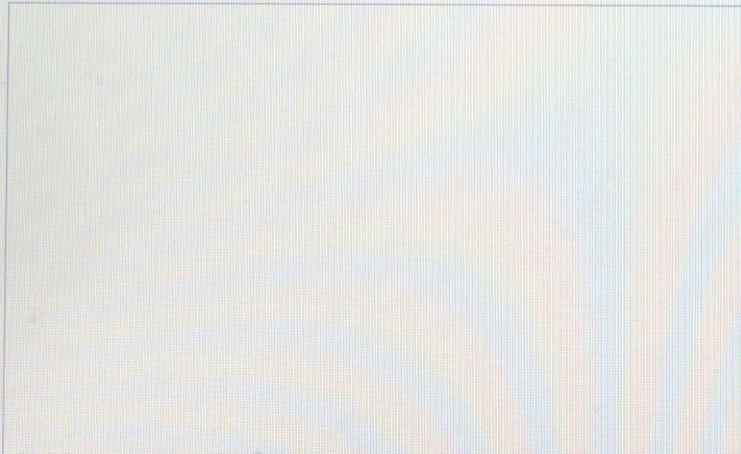

TNF. Met with Ambassador Geri Joseph for a gloomy discussion on the Dutch and TNF. She believes the odds are better than 50-50 that the Dutch Government will fall over the TNF issue. Because of this probability, and because the Dutch Parliamentarians simply do not wish to address the problem, Joseph is not optimistic that we will win this uphill fight. (C) (Blackwill)

Give me full schedule any free time for Fri. 2?

Canada. Met again with Jules Katz to work on the economic issues of the Summit. In addition to two brief tete-a-tete between the President and Clark, there will be three substantive meetings with the Canadian Government: A discussion of international issues from 11:15 - 12:15 p.m. on November 9 with four to five on a side; a working lunch from 12:15 - 1:45 p.m. on the same day which will address energy and the environment -- eight to nine on a side; and a meeting from 10:00 - 11:00 a.m. on November 10 on trade and investment issues with about ten on a side. (C) (Blackwill)

UK. Told British Minister Robinson that you would like to see Mrs. Thatcher while in London. (C) (Blackwill)
