My dear Edward,

Would it be possible for you to bring the 1922 Executive to have a drink with the Prime Minister at 1800 hours rather than 1830 on Wednesday 31 March? She now has an official dinner here at Downing Street that evening and 1800 hours would suit her slightly better.

Jan.
I put this to the
Executive of the 1922
Committee last Sunday.
They will be contact
before 6pm. EDC
